Privacy Policy

Last Updated: 21 March 2026

1. Introduction

Welcome to NeuroVitality CRM ("we," "us," or "our"). We are committed to protecting your privacy and handling your data in an open and transparent manner. This Privacy Policy explains how we collect, use, process, and safeguard your information when you use our Customer Relationship Management software and services (the "Service").

This policy is designed to comply with the General Data Protection Regulation (GDPR) and other applicable data protection laws.

2. Information We Collect

We collect information that you provide directly to us, information we collect automatically when you use the Service, and information we collect from other sources.

2.1. Information You Provide to Us

- **Account Information:** When you register for an account, we collect your name, email address, password, and company name.
- **Customer Data:** We collect and store the information you upload or create within the CRM, including contact details (names, emails, phone numbers), notes, deals, and communications with your customers.
- **Payment Information:** We do not directly collect or store payment card details. All payments are processed by a third-party payment processor that is PCI-DSS compliant.
- **Communications:** If you contact us directly, we may receive additional information about you such as your name, email address, the contents of the

message and/or attachments you may send us, and any other information you may choose to provide.

2.2. Information We Collect Automatically

- **Log and Usage Data:** We collect information related to your access to and use of the Service, including the type of browser you use, app version, access times, pages viewed, your IP address, and the page you visited before navigating to our Service.
- **Device Information:** We collect information about the computer or mobile device you use to access our Service, including the hardware model, operating system and version, and unique device identifiers.
- **Cookies and Similar Tracking Technologies:** We use cookies and similar tracking technologies to track the activity on our Service and hold certain information. Please see our Cookie Policy for more details.

3. How We Use Your Information

We use the information we collect for various purposes, including to:

- Provide, operate, and maintain our Service;
- Improve, personalize, and expand our Service;
- Understand and analyze how you use our Service;
- Develop new products, services, features, and functionality;
- Communicate with you, either directly or through one of our partners, including for customer service, to provide you with updates and other information relating to the Service, and for marketing and promotional purposes;
- Process your transactions;
- Send you technical notices, updates, security alerts, and support and administrative messages;
- Find and prevent fraud and abuse.

4. How We Share Your Information

We do not share your personal information with third parties except in the following circumstances:

- **With Your Consent:** We may share your information with your consent or at your direction.
- **Service Providers:** We may share information with third-party vendors and service providers that perform services for us, such as hosting, email services, and customer support. These service providers will only have access to the information necessary to perform these limited functions on our behalf and are required to protect and secure your information.
- **Compliance with Laws:** We may disclose your information to a third party if (a) we believe that disclosure is reasonably necessary to comply with any applicable law, regulation, legal process or governmental request, (b) to enforce our agreements and policies, © to protect the security or integrity of the Service, or (d) to protect ourselves, our customers, or the public from harm or illegal activities.
- **Business Transfers:** We may share or transfer your information in connection with, or during negotiations of, any merger, sale of company assets, financing, or acquisition of all or a portion of our business to another company.

5. Data Security

We use a combination of technical, administrative, and physical controls to maintain the security of your data. This includes:

- **Encryption:** Data is encrypted in transit using TLS 1.2+ and at rest using AES-256-GCM encryption.
- **Access Control:** We enforce strict access controls to ensure that only authorized personnel have access to your data.
- **Secure Development:** We follow secure software development practices and have implemented security measures to prevent common vulnerabilities, as detailed in our Security Overview.

No method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your personal information, we cannot guarantee its absolute security.

6. Your Data Protection Rights

Under GDPR, you have certain rights regarding your personal data:

- **The right to access** – You have the right to request copies of your personal data.
- **The right to rectification** – You have the right to request that we correct any information you believe is inaccurate or complete information you believe is incomplete.
- **The right to erasure** – You have the right to request that we erase your personal data, under certain conditions.
- **The right to restrict processing** – You have the right to request that we restrict the processing of your personal data, under certain conditions.
- **The right to object to processing** – You have the right to object to our processing of your personal data, under certain conditions.
- **The right to data portability** – You have the right to request that we transfer the data that we have collected to another organization, or directly to you, under certain conditions.

If you make a request, we have one month to respond to you. If you would like to exercise any of these rights, please contact us at our contact information below.

7. International Data Transfers

Your information, including personal data, may be transferred to — and maintained on — computers located outside of your state, province, country or other governmental jurisdiction where the data protection laws may differ from those from your jurisdiction. We will take all steps reasonably necessary to ensure that your data is treated securely and in accordance with this Privacy Policy.

8. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page and updating the “Last Updated” date. You are advised to review this Privacy Policy periodically for any changes.
